P A R D O 43

STABILIZER & HYDRAULIC PLATFORMER

A dark blue Pardo 43 yacht is shown from a low angle, floating on clear turquoise water. The yacht has a sleek, modern design with a dark blue hull and a black canvas top. A white windmill is mounted on the deck. The background features a lush green shoreline with trees and a clear blue sky. The text 'P A R D O' and '43' is overlaid on the right side of the image.

# P A R D O

## 43

Discover the French Riviera aboard the Pardo 43, where iconic design meets effortless performance. Ideal for day cruises or stylish coastal escapes, this yacht offers a perfect balance of comfort, elegance, and open-air living. Whether you're seeking a relaxed day at sea or a vibrant moment with friends, the Pardo 43 delivers a refined yachting experience, combining contemporary Italian design, premium amenities, and a seamless connection to the Mediterranean.

## ITALIAN CRAFTSMANSHIP THROUGHOUT

Step aboard the Pardo 43 and discover an interior defined by Italian craftsmanship and refined simplicity. High-quality materials, elegant textures, and carefully considered details create a warm and contemporary atmosphere. Every space is designed for comfort and style, offering a seamless balance between sophistication and functionality, making every moment on board truly enjoyable.

# OPEN-AIR LIVING AT ITS FINEST

The Pardo 43 is designed for those who truly embrace open-air living. Expansive sunbathing areas, inviting aft deck seating, and seamless circulation create the perfect setting to relax, entertain, or enjoy alfresco moments with panoramic sea views. With its iconic profile and open, welcoming layout, the Pardo 43 offers an effortless way to experience the Mediterranean lifestyle.
