520 FLY

Step aboard the Prestige 520 Fly, a 16.5-meter yacht designed for an exceptional day at sea along the French Riviera. Its elegant design and contemporary lines are complemented by spacious outdoor areas, including a panoramic flybridge, generous sunbathing spaces, and an inviting aft deck perfect for relaxation or entertaining.

Inside, the bright and refined interior offers absolute comfort with a seamless connection to the sea. Fully equipped and operated by a professional captain, the Prestige 520 Fly promises an unforgettable yachting experience.

FRONT & AFT DECK

The Front & Aft decks of the Prestige 520 Fly offer a harmonious balance between relaxation and conviviality. The forward sunbathing area invites pure relaxation, while the aft deck features elegant seating and a refined dining space, ideal for sharing special moments at sea. Enhanced by premium teak flooring and carefully selected finishes, every detail has been designed to create an atmosphere of understated luxury, framed by uninterrupted views of the Mediterranean.
